NWEDZI
CONSULTANCY

ABOUT US

Nwedzi Consultancy (Pty) Ltd is a South African Registered company, registered in the year 2020 (Reg No: 2020/219691/07). The company seeks to add a new flavor to the skills development and training landscape through developing high quality training solutions and offer business consultancy services in line with the demands of the current 4IR wave and beyond.

Vision

To be the training provider of choice which is responsive to the skills development aspirations of our clients.

Mission

The pursuit of our vision will express itself through the delivery of skills and knowledge to corporates, young people, professionals or individuals so that they can become confident individuals, responsible citizens and effective contributors to the development of their respective organizations and communities.

Values

- ☾ Openness without offense
- ☾ Honesty, integrity and uprightness
- ☾ Commitment
- ☾ Learning organization
- ☾ Helpfulness and approachable.
- ☾ Clients and customer focused
- ☾ Involvement and commitment
- ☾ Time consciousness

OUR OFFERINGS

Our programs are extensively researched according to in-demand market trends and delivered by leading experts in their respective fields to ensure that our delegates receive only the best skills development solutions. We offer a wide selection of intensive courses of which many are also aligned to accredited unit standard where delegates, on successful completion, can earn credits towards a national qualification.

These short courses are the perfect solution to help you with your professional development and to continuously future-proof your skills and abilities, in order to succeed in a continuously changing and digitally disrupted business age, the 4IR and beyond.
